Cabernet Sauvignon

NAPA VALLEY

1976 Vintage

ORIGINAL NOTES The drought year of 1976 was responsible for a string of successful red wines, a result of the combination of reduced crop level and otherwise ideal weather during the growing season. At the time of its release, we remarked that "our 1976 Cabernet has the strength expected from a great vintage and should develop into a remarkable wine," and today the wine displays a richness and depth of flavor that has exceeded those expectations.
